Don't miss *Dirty Rotten Scoundrels, The Musical*

By Ken Johnson, Director

Dirty Rotten Scoundrels is based on the 1988 film of the same name. It is set in the colorful world of the French Riviera. Master con-artist Lawrence Jameson makes a living tricking old, rich ladies into giving him their money. When Freddy arrives on the French coast, he challenges Lawrence's position as chief con-artist. As they decide the town just isn't big enough for the two of them, they challenge each other to a bet. The first one to swindle \$50,000 wins.

As they both take on the bet, they fall for the same woman, but quickly realize that they may have bitten off more than they can chew.

The cast is made up of some familiar faces as well as a few new ones. I am pleased that we were able to include quite a few aspiring high school students (and a few recent graduates) in the cast and crew as well.
